

Dear Parents:

Nothing like a little vacation. Hope the students remember to read. Each has picked a country for the reports in January-February. This would be a good time to do a little research.

I wish you and yours a great Thanksgiving. Reflection gives one a chance to see how many blessings are ours. I appreciate teaching your children - even on the frustrating days. There are many more where I go home at night thinking I have the best job in the world. Thanks for all your help.
