

**Homework # 21**

6 ALL

28 Jan 2009

Dear Parents:

Each should now be scheduled for SEP conferences for 4 or 5 Feb. Prior to the conference please check with your child for both academic progress and general feeling about school habits. Check the grades to see if there are any unexplained "zeros."

SEP conferences allow evaluation of progress and a chance to set new goals.

Thanks! We make a great team!
