

Dear Parents:

There is a big test (80) on word history people Feb 20. The students have the information in their FIRE folders and there will be no retakes.

Please have the students read the quote on this page #9. For some this is accurate and devastating. Self-control is a gradual process and vital. I'll let everyone know when the Jr. High has the math test to determine who's qualified to take Algebra One in 7<sup>th</sup> grade. I guarantee students that IF they do the homework AND turn it in on time AND have their NAME on it – they'll get an A.
